2 · Acknowledgement of risk

I understand that Rooiheuvel Guestfarm is a working farm in a remote part of the Great Karoo, and that staying here and taking part in its activities carries inherent risks. These include, but are not limited to: uneven and rocky terrain, mountain and gravel roads, 4x4 travel, hiking, swimming in the stone dam and rock pools, wild and farm animals, snakes and insects, extreme temperatures, fire and braai facilities, limited cellphone reception, and the distance from the nearest medical facilities and emergency services. I confirm that I and those in my care take part in all activities voluntarily and at our own risk.

3 · Indemnity

I indemnify and hold harmless Rooiheuvel Guestfarm, its owners, Marge Vivier, and their family, employees and agents against any claim, loss, damage, injury, illness or death suffered by me or any person or property in my care during our stay or participation in any activity, whether arising from the ordinary risks of the farm or otherwise, to the fullest extent permitted by law.

4 · Health and fitness

I confirm that I and those in my care are medically fit to take part in the activities we have chosen, and that I have disclosed any relevant medical condition. I accept responsibility for carrying any personal medication. In an emergency, I authorise Rooiheuvel to arrange medical assistance on my behalf, and I accept responsibility for the costs of any treatment or evacuation.

5 · Children

I understand that children remain the responsibility of their parent or guardian at all times — including near water, fire, animals, roads and farm equipment — and that they must be supervised throughout the stay.

6 · Personal property and vehicles

I understand that I bring all personal belongings and vehicles onto the farm at my own risk, and that Rooiheuwel is not responsible for any loss of or damage to them.

7 · Rules of the farm

I agree to follow all reasonable instructions and safety rules given by Rooiheuwel, to respect the farm, its animals, gates, fences and other guests, and to take care with fire and firewood at all times.

8 · Firearms and hunting (hunting guests)

I confirm that I hold a valid licence for any firearm I bring onto the farm and will handle it safely and lawfully at all times. I agree that silencers (suppressors) are compulsory, that no shot will be fired without permission, and that any shot fired without permission outside the hunting field will end the hunt immediately.

9 · Declaration

I confirm that I have read and understood this indemnity, that I sign it freely, and that it is binding on me, those in my care, and my heirs and successors.
